

## **SAFETY WARNINGS AND INSTRUCTIONS.**

This is the safety alert symbol. It is used to alert you to potential physical injury hazards.

## **PLEASE READ ALL SAFETY INFORMATION AND INSTRUCTIONS BEFORE USE TO AVOID INJURY.**

**These safety warnings and instructions cannot cover all possible conditions that could occur and users should exercise care and caution.**

Keep these instructions for future reference as they contain important safety information.

### **Intended users**

- VEEV pods are for adult use only.
- VEEV pods are for current adult e-cigarette users and smokers who would otherwise continue to use tobacco or nicotine-containing products.
- Children and adolescents should never use VEEV device or VEEV pods under any circumstances.
- VEEV device or VEEV pods should not be used by persons with reduced physical, sensory or mental capabilities or lack of knowledge, unless they have been given supervision or instruction to use the product in a safe way and understand the hazards involved.

### **Nicotine**

- VEEV pods contain nicotine, which is addictive.
- VEEV device and VEEV pods are not risk-free. The best way to reduce nicotine-related health risks is to quit tobacco and nicotine use altogether.
- Some consumers of VEEV reported experiencing (in alphabetical order) abdominal pain, cough, dizziness, dry mouth, headache, malaise, nasal stuffiness, nausea, mouth irritation, throat irritation, vomiting.
- Nicotine-containing products should not be used by people who have or are at risk of heart disease, are diabetic, are epileptic or are experiencing seizures.
- Nicotine-containing products should not be used during pregnancy or while breast-feeding. If you are pregnant, breast-feeding, or think you may be pregnant you should quit tobacco and nicotine use altogether.
- Stopping smoking or switching to VEEV device and VEEV pods or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g. theophylline, clozapine, ropinirole).
- If you have questions about whether you should use VEEV device or VEEV pods given an existing health condition, you should consult a health care professional.

## **IMPORTANT SAFETY INFORMATION**

### **WARNING** Choking and ingestion hazard

- Keep VEEV device and VEEV pods out of reach of children and pets at all times.
- **CHOKING HAZARD** — VEEV device and VEEV pods contain small parts.
- **INGESTION HAZARD** — If VEEV device or VEEV pods or their parts are swallowed, seek medical attention immediately due to risk of nicotine intoxication.

### **CAUTION** Irritation risk

- In case of contact with leaking e-liquid from VEEV pod, wash the affected area immediately with soap and water.

### **CAUTION** Allergic reaction risk

- Using VEEV device and VEEV pods could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.
- Stop using VEEV device and VEEV pods and seek medical attention immediately if you experience any of the symptoms above as they may indicate a serious allergic reaction.

## **Exclusive Use of VEEV pods**

- Only purchase VEEV device and VEEV pods from your local or online VEEV store or other authorized retailers.
- Only use VEEV pods with VEEV device. Never use VEEV device with other pods. Doing so may cause injury.
- Do not modify or attempt to refill VEEV pods in any way or add any substance to VEEV pods. Doing so may cause injury.

## **Usage and Storage**

- Do not expose this product to excessive temperatures heat or moisture.
- Store in the original packaging at room temperature.
- It is recommended to use the product between 0°C and 40°C.
- Use VEEV pods promptly once removed from original packaging.
- Do not use this product if the VEEV pod appears to be damaged, tampered with, broken, or leaking.
- Due to risk of VEEV pod leaking with altitude changes, it is not recommended to fly with VEEV pods that have been removed from packaging or have been partially used.
- Store in a place inaccessible to children.

**Reporting of adverse events or incidents** - If you experience any unwanted health effect when using VEEV device and VEEV pods, consult a health care professional. You can report any adverse event or incident directly by contacting your local Call Center (details can be found in the Customer Care & Warranty booklet). By reporting side effects, you can help provide more information on the safety of this product. For more information please go to [www.veev-vape.com](http://www.veev-vape.com).

## INFORMATION FOR DISPOSING OF VEEV pods

This symbol on the product or on its packaging indicates that this product and its individual parts must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The waste equipment can be returned free of charge to the point of sale in case of the purchase of a new device or replacement of the same device in application of the warranty. The waste equipment can be returned in any case free of charge to the point of sale where the sales area for electrical and electronic equipment (“EEE”) is larger than 400 square meters. The separate collection and recycling of your waste equipment at the same time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Disposing waste equipment as unsorted municipal waste (e.g. by waste incineration or land filling) can have negative effects on the environment and human health. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your local household waste disposal service or the shop where you purchased the product. The local importer of the product will provide for the financing of the treatment and recycling of waste equipment returned through these designated collection points in accordance with local requirements.
